BLOCKCHAIN EVENTS GROUP

Find practical and applicable ways to use Blockchain in Business

01

What is BLOCKCHAIN EVENTS GROUP?

A platform to better understand the blockchain ecosystem and its components to help grow your business. Our events are for the advancement of Blockchain Business Processes; including Smart contracts, Web3 Platform, NFT's and Cryptocurrencies through education, resources, networking and more! The first annual conference event will offer an opportunity to find practical business applications, innovative ideas and products to move forward.

02

Why sponsor BLOCKCHAIN NYC 2022?

Why Partner With Blockchain NYC? Sponsors become an integral part of this gathering of Blockchain leaders who seek to discover emerging technologies, develop greater skills to compete, recruit talent and give themselves and their companies a competitive edge. Contact Kathleen Nealon, email: kathleen@globaltrainingevents.com.

03

What is the goal of BLOCKCHAIN NYC?

Be empowered through exposure to emerging technologies and the ever changing financial landscape. Learn, innovate, exchange ideas, and find trends in Blockchain. We provide conference events to collaborate, online resources on Blockchain Technologies, Web3, NFT's, Crypto Corner & Blockchain Talks, a monthly webinar series, and e-news features offering the latest tips to transform your business.
